ONLINE GRAMMAR MINI-COURSES

Mini-Course Details

Author, professor, and professional developer Sean Ruday is excited to offer online grammar mini-courses for schools and school districts looking for strategies and ideas for effective and engaging grammar instruction.

These interactive mini-courses are customized for the specific and unique needs of individual teachers and schools. Courses last between three and ten meetings and can focus specific on elementary, middle school, or high school grammar instruction (or a combination of these grade levels).
